

Short term prioritization plan for engaging with public, LWG and Partnership

High Priority for dedicating EPA resource time

EPA Pre/Post FS public outreach events (Jan-May)

- Notify public about March FS released, future FS public forums, superfund process and community involvement opportunities. Pre-FS meetings target communities not actively involved or attending CAG meetings. Respond to public request for EPA presentations.

Jan 30 – Earth Care Summit (Complete)

Feb/March – EJ Task Force

March 13, 7pm- Friends of Cathedral Park

March 11, 6pm – CAG meeting (Resource Council Restoration, Announce FS sessions)

Feb-March - presentations to Asian, Russian, African-American, Spanish communities

April 11, 11am - Swan Island Business Association

April 11, 6pm – CAG meeting (FS update)

May 6, 9:45am – Request for meeting from Earth Care Summit

Interaction with LWG (Feb-May)

- Planning FS public forum. EPA is coordinating a series of public forums centered on FS with ODEQ and LWG. EPA, ODEQ, LWG will present during forums. (See form agenda).

Feb 9, 2pm, Oregon Ops Office. Planning meeting w/ DEQ and LWG.

Agenda: FS agenda review, dates/locations for public forums, Repository locations for FS.

Lower priority for dedicating EPA resource time

Interactions with Portland Harbor Partnership- monitor activates

- EPA presence at targeted Partnership events (See event schedule). Note inaccurate or misleading information and report to Dan/Deb.
- Respond to meeting request from Partnership or affiliates (meeting purpose and outcomes with meeting request) Value added from meeting? Message change?
- Decline request for joint EPA/Partnership presentation on non Superfund process presentations such as “Greening the Harbor”
